TURNING SPACES INTO  
SUCCESS STORIES

SINCE 1999

At Lavish, we combine innovation, craftsmanship, and strict quality standards to produce exceptional ceramic tiles. Recognized globally and backed by certifications like ISO 9001:2015, ISO 14025:2006, CE, and UK CA, we’ve become a trusted name in over 80 countries. Our unique designs and dedication to perfection set us apart as true artisans in the tile industry.

BUILT ON THE  
FOUNDATION OF

WALL & FLOOR TILES

Craftsmanship is also at the heart of our brand! In a way, we don't consider ourselves manufacturers but we see ourselves as a team of skilled artisans who take great care in crafting beautiful surfaces that are unmatched, unparalleled, and unrivaled! The uniqueness of our product is reflected in our designs, colors, sizes, and finishes which are exclusive to us and different by all means! In short, "We are a breath of fresh air in a sea of sameness"!

|                                                                                                     |                                                              |                                                                              |

CARVIN COLLECTION

# Inspirations to adorn your space

Art reclaims its place as a key aspect of design interiors with Carvin, a collection of 30X120 cm size GVT tiles. Carvin's exclusive designs are defined by a variety of 3D structures, aesthetic influences, illusory fusions, and intricate patterns that are inspired by today's most original, innovative trends. Not only does this game-changing collection provide pattern and colour to your environment, but it also adds texture and distinct character by reflecting light at different angles and producing unique shadows to make your space stand-out!

| Frost resistance                            | No damage                                           | No damage                 | ISO-10545-12 |
| Thermal shock resistance                    | No damage                                           | No damage                 | ISO-10545-9  |
| Moisture expansion                          | Nill                                                | Nill                      | ISO-10545-10 |
| Thermal expansion(COE)                      | Max. 9.0x10 <sup>-6</sup>                           | Max. 6.5x10 <sup>-6</sup> | ISO-10545-8  |
| Crazing resistance                          | As per mfg.                                         | Min. 10 Cycle             | ISO-10545-11 |
| CHEMICAL PROPERTIES                         |                                                     |                           |              |
| Chemical resistance                         | No damage                                           | No damage                 | ISO-10545-13 |
| Stain resistance                            | Min. Class 3                                        | Class 5                   | ISO-10545-14 |
| SAFETY PROPERTIES                           |                                                     |                           |              |
| Slip resistance                             | As per mfg.                                         | > 0.40                    | ISO-10545-17 |
| Fire resistance                             | As per mfg.                                         | Fireproof                 | N.A.         |
| Lead & Cafmium given off by glazes tiles    | As per mfg.                                         | Does not yield Pb & Cd    | ISO-10545-15 |

## PACKAGING DETAILS

|            |              |
|------------|--------------|
| SIZE       | 30x120cm     |
| PIECES/BOX | 4.pcs.       |
| AREA/BOX   | 1.44sq. mtr. |
| WEIGHT/BOX | 31 kgs.      |
