TURNING SPACES INTO
SUCCESS STORIES

SINCE 1999

At Lavish, we've cultivated a passion for excellence through persistent efforts. Our approach to business involves thoroughly studying the market to design products that align with our values – innovation, creativity, and perfection! This, coupled with our commitment to a quality culture and expert craftsmanship, sets us apart as a reputed ceramic tile manufacturer and exporter. Our strict quality control process and certifications, such as ISO 9001:2015, CE, and UK CA, attest to our dedication to international standards. Additionally, constant R&D investment and a dedicated team enable us to launch new product lines while offering exceptional customer support.

Today, we serve over 50 countries worldwide. Despite the challenges of entering India's established tile industry, we have established our brand as a trusted source of high-quality ceramic wall and floor tiles, double charge vitrified tiles, polished vitrified tiles, glazed vitrified tiles, and digital tiles. Craftsmanship is a hallmark of our group, and we position ourselves as a team of skilled artisans rather than simply tile manufacturers. The unique designs, colors, sizes, & finishes of our surfaces set us apart, offering a fresh and distinctive alternative in an otherwise uniform market.

WALL & FLOOR TILES

Craftsmanship is also at the heart of our brand! In a way, we don't consider ourselves manufacturers but we see ourselves as a team of skilled artisans who take great care in crafting beautiful surfaces that are unmatched, unparalleled, and unrivaled! The uniqueness of our product is reflected in our designs, colors, sizes, and finishes which are exclusive to us and different by all means! In short, "We are a breath of fresh air in a sea of sameness"!
